

20th Annual

Evan's Run

May 17th, 2020

Sponsor Sheet

Fundraising for the 20th Annual Evan's Run is in full swing. The funds raised last year are being used to fund programs and scholarships involving children with autism. You can be assured that any donation you make will brighten the life of an autistic child. If you have helped in the past, your contributions have been greatly appreciated, and we hope to have your support again this year. If you have not been able to help in the past, we hope you will decide to support this great cause.

Please Make Checks Payable to: **Evan Henry Foundation**
